

NORTHERN RHODE ISLAND COLLABORATIVE

640 George Washington Hwy Suite 200

Lincoln, RI 02865

401-495-2000

Scope of Services

The Northern RI Collaborative (NRIC) on behalf of itself and the eleven member school districts along with any Individual, School or District member which is affiliated with the Rhode Island Society of Technology Educators (RISTE) is seeking to collect RFP information on the purchasing through a third party company for a number of refurbished/reconditioned desktop, laptop computers, mobile computer labs, network devices, and monitors. The provider must be able to provide refurbished/reconditioned computer equipment that meet or exceeds the specifications, in the proposal below. All equipment and its components must have been thoroughly tested and cleaned.

The provider must provide a warranty for any equipment ordered, including any accessories that are ordered with the desktop computers (e.g. mouse, keyboard, monitor, etc.) The warranty must include replacement of the equipment and/or accessories if a repair cannot be made.

The provider must provide a Technical Support phone number and contact that is available during the working hours of the school department. The provider must also provide a Sales/Customer Service phone number and contact that is available during the working hours of the school department.

The provider may submit proposals for all or some of the following equipment listed in this RFP.
